Re: Extension for National Park Service Concessions Contract CC-BRCA003-84 and CC-ZION003-84

Dear Mr. Todd:

The National Park Service (NPS) is continuing the process of issuing prospectuses for new concession contracts. However, as a result of the delays created by the number of expiring permits and contracts, the NPS determined that a 1-year extension of your current concession authorization is necessary to avoid interruption of visitor services.

Accordingly, pursuant to Section 403 (11) of Public Law 105-391 and 36 CFR § 51.23, and upon return of a signed copy of this letter of agreement to the undersigned, your concession authorization is hereby extended to December 31, 2007, or until such time as a new contract for this operation is awarded, whichever occurs first. All other terms and conditions of the authorization will remain the same, subject to the terms of Public Law 105-391.

The NPS will notify you when it issues a solicitation for award of a new concession contract covering the service you provide.

Please indicate your acceptance of the extension provided by this letter by signing in the space provided below and return the fully-executed letter to this office within 30 days from receipt. A copy of this letter is enclosed for your files.

If you have any questions, or if we can provide further assistance, please contact Tom Williamson, Acting Regional Chief of Concessions at 303-969-2582.

Sincerely,

 FOR
